ling man. His Worship was only advising Hag. the missionaries. But he objected to the use of thought it worth while once to go to war. It the daval force in support of the mission. A was hardly generous for a person standing in Colombo was wrecked. A Volunteer Review After some further conversation, Haggerty missionary was attacked, and then he sent for sufety in their lordships' bouse to taunt men was held at Dover yesterday; but under great After some further conversation, maggerry improved and more appearance and supported to go on board, if the captain would the nival force, and a guidoat was sent, and the who were imperilling their lives among bar difficulty, owing to the gale in the Channel. officer took possession of the town. But what barians. What were the stringent measures The Liverpool cotton market held firmly. 71bs. were dur friendly relations doing all this time? to be adopted with those missionaries who reshirtings 9/6, 40's mult twist 1/4. The captain of the certain junk, laden with He objected to our friendly relations being left fused to take the noble duke's advice? Would crockery, was brought up by P. O. Walker to the judgment of a missionary, or the passions he save the Chinese mob the trouble of acting (Water-police) for running into and damaging of a mob. His noble friend wanted to reduce as their executioners or would be deprive them the navy, but if they were to reduce the navy of their rights as British citizens? Did a P. O. Walker said the junk had about three they must put down the China Inland Mission, British citizen by becoming a missionary lose other Churches, and guarantees the norty of their Churches. Cable Telegrams from New bamboos of her forestil, and four of the main for every missionary wanted a gunboat. (Great any of the rights be would have had if he had York of yesterday's date state that the Washingsail hoisted up and when she ran into the laughter.) The advancement of Christianity gone out as a British trader, however demonstrated away one of could only follow in the wake of civilisation and lising the trade might be? He protested against the trade might be? He protested against the trade might be? the booms and some given. The junk had no progress—it could not be forced. It was, no the doctrine that because a man was a miss. Representatives is ineisting on its absolute rethe booms and some give. The junk had no progress—it come not be converted to make the doctrine that because a man was a man w The defendant said he had a load of crockery. but the progress of Christianity must be a work of time, and the way we were now proceeding course had always been taken, neither the noble basador to Turkey on board, and the Sultan's and the Sultan's and the Sultan's water for the Singapore steamer, and be was an or time, and the way we were now proceeding course and always occur taken, newweet one notice the course and always occur taken, newweet the steamer, but with a very short was not the way to scene it. What was the duke nor himself would then be Christians at danelles, to welcome the Prince and Princess of cable. The wind and tide were both against effect? He had been assured by naval and the present day. The noble earl had said that Wales, him, and consequently he dragged his anchor civil officers who had visited all the ports of missionaries should always follow in the wake return. They had already been waiting a long down on to the "chop," where he got up sail to Europe and America, that there was not in the of trade—perhaps he would inform the House try and save himself. The whole affair was an world such a sink of iniquity as Shanghai. We to what kind of trade he alluded; because it

Mr. May thought so too, and would not by gunboats and Armstrong guns. A mission-punish defendant for leaving his anchorage ary, if not an enthusiast, was probably a wake a very unhappy lead for our missionaries. without the special night pass. Would defend requestion and if they were enthughed the season of the chop? state the more dangerous was the present opium trade, or to wait until the beneficent interested by the season of the firewater had prepared the minds got to Yangehow, and the further they went of the barbarians for their teaching? (Hear, fluence of the firewater had prepared the minds the more detrimental it was to life and the interests of Christianity. It was not entirely had inoculated them with his liquors or his at their own peril that they went, because if a vices before they commenced to teach the riot arose and a missionary was killed or in Gospel? He did not vindicate or palliate jured, the aid of the nearest British force was the indisorctions of any missionary, but he called in, and the mischief was done frequently trusted he had misunderstood both the noble before there was time to appeal to Pekin. The duke and the noble earl, and that they did London Missionary Society had better leave not mean that the strong hand of Great Britain was to be used to suppress improving exertion, or that the British missionary was only to folwould take some more efficient and stringent | Earl Grey agreed with the right rev. prelate has been utterly desolated by fire. Latest Atway of dealing with these missionaries. Either that there should be no distinction as to protect lantic cable telegrams state that Congress has but be submitte! that in neither case did this

conntry stand with a clear conscience. We had abased our superior strength by forcing the onium trade on the Chinese, and we had also protected the infamous coolie trade. We had reserved but so far as the reports go, it seems growing, and also of very pressing interest, protect either missionary or trader who went mischievously ringing the door bell of Dr. that as Bukalis distant some twolve miles from and it; was right that the public should know to a part of the Country where they were likely Ransom, of Jesus lane. It seems that several seve fifty Europeans had up to last accounts, been present state of things in Ohina, which was was one thing to protect trade at those treaty killed. The public papers are said to have most unsatisfactory. He could not quite agree ports, and another to say that any adventurer been restrained from publishing any accounts with his noble friend in the alternative that or smuggler, who ventured into the interior been restrained from publishing any accounts of the amissionary must be an enthuliast or a rogue of the matter; but private letters speak of the amissionary must be an enthuliast or a rogue and got into quarrels with the natives, was to appeal to the British gunboats for protection. He admired and revered those missionaries offender Dr. Rapsom exhibited, the nullergramissionaries required to be protected against they ventured into hostile parts of China. Sup- bell, and, on the occasion of the last charge, the pose the Chinese were to organise a mission bench intimated that they would undoubtedly to convert us, and were to invade Wapping send the next offender to prison. The court them. Last year the London Missionary Society test those people from the rage of the populace? terest slogether, disproportionate to the Some discussion has taken place in the Legia- with China, there should be an article empower- lision a Chinese force were to some and insist fendant asserted that he had no intention of lative Conneil relative to introducing the ing missionaries to purchase land and reside in on compensation for the injuries inflicted on among Dr. Ransom in particular, and called Indian Civil Code. The second reading of the the interior; and upon that Sir Rutherford these holy missionaries who had been engaged witnesses to testify to his general good coninscription enying that we had been properly punished for interfering with their missionaires, him to prison, but fined him 40s. and costs. missions, but if missionaries got into difficulties off the pavounont, and said in defence that he

THE HONGKONG MILITARY CONTRIBUTION.

(London and China Herald): The Parliamentary papers attached to the lot of Steamboats have been placed at 75 pre-Army Estimates, headed "Army (Colonies) mium, deliverable April Soth, and one China Majesty's servants in foreign countries the No. 45," has for the first time this year lumped Traders' found a buyer at \$580 premium.
